IRC 2022 Report to Securityholders

March 17, 2023

Dear Securityholder:

As chair of the Independent Review Committee (“**IRC**”) of the funds managed by Connor, Clark & Lunn Funds Inc. (the “**Manager**”), I am pleased to provide you with the annual report to securityholders for the year ended December 31, 2022 for the ten funds listed in the attached report (the “**Funds**”) as required under National Instrument 81-107 *Independent Review Committee for Investment Funds*.

The mandate of the IRC is to review conflict of interest matters identified and referred to the IRC by the Manager and to give its approval or recommendation, depending on the nature of the conflict of interest matter. A “conflict of interest matter” is a situation where a reasonable person would consider the Manager or an entity related to the Manager to have an interest that may conflict with the Manager’s ability to act in good faith and in the best interests of the Funds. In each instance where a conflict of interest matter is identified and referred to the IRC, the focus of the IRC is to determine if the Manager’s proposed action achieves a fair and reasonable result for the Funds.

At least annually, the IRC also reviews and assesses the adequacy and effectiveness of the Manager’s policies and procedures relating to conflict of interest matters in respect of the Funds, and conducts a self-assessment of the IRC’s independence, compensation and effectiveness.

IRC members look forward to working with the Manager to ensure that the best interests of the Funds are paramount when the Manager is faced with a conflict of interest matter.

To close, it has been a privilege to serve the Funds’ unitholders in this capacity and I would like to take the opportunity to thank my fellow IRC members and the Manager for their commitment and support during my time as Chair. I am very pleased to be leaving you in the very capable hands of the successor IRC Chair, Leslie Wood and the continuing IRC members Martin Guest and Kerry Ho.

“Anthony L. Cox”
