1>Returns are calculated net of management fees, trading and operating expenses. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rate(s) of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. The specified distribution rate is a target only and may be adjusted from time to time by the Manager without prior notification to unitholders. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. 2.Allocations may not add to 100% due to rounding. Connor, Clark & Lunn Funds Inc. has retained Connor, Clark & Lunn Investment Management Ltd. to act as portfolio manager for the CC&L Core Income and Growth Fund.
